Sweeping Panoramic Views - New Beach House

The flawless transformation of this coastal 2 storey classic takes inspiration from its idyllic beachside setting with a creative contemporary take on family luxury that balances timeless elegance with high-end design.

Set on the high side of the street affording panoramic views to the ocean, the beautifully crafted interiors capture the essence of laidback beachside glamour. An organic palette of natural timber and oak bring warmth and texture, while beautiful pastels off-set the crisp white walls.
